

# Otto Kroeger Associates (OKA)

3605 Chain Bridge Road, Fairfax, VA Tel. 703-591-6284

**From Dulles:** Get on the Access Road leading to Washington, D. C. Take the exit for Route 28 SOUTH & continue for about 5 miles. Exit onto Route 50 EAST & continue for about 7 miles. Route 50 will angle to the left at the intersection of Route 236 & Route 29 (an Office Depot will be directly in front of you). After turning left to remain on Route 50 EAST, turn right at the fifth traffic light onto Route 123 / Chain Bridge Rd. Make an **immediate** left into Fairfax Crossroads. **Park anywhere behind the Exxon station or along the perimeter only** (facing away from a building & towards the trees). The entrance is in between the two parallel buildings.

**From National:** From the Airport Access road, get onto Route 110 NORTH and follow signs leading to I-66 WEST. Take I-66 WEST & take Exit # 60 (approximate 15 miles), the Fairfax/Vienna exit for Route 123 & Chain Bridge Rd. Bear left towards Fairfax. Merge onto Route 123 (SOUTH). After passing through the 2nd intersection (over Lee-Jackson Highway / Route 50) make an **immediate** left into the Fairfax Crossroads. **Park anywhere behind the Exxon station or along the perimeter only** (facing away from a building & towards the trees). The entrance is in between the two parallel buildings.

**From 495:** It is best NOT to get on to Route 123 from 495!! This is going to put you MUCH further north and you will have to come down through Tysons Corner and many lights. It is best to get onto I-66 WEST from 495 & follow the directions above. If you do get off 495 onto Route 123 - you will need to head SOUTH on Route 123 / Chain Bridge towards Vienna. After you pass the ramp for I-66 you will follow directions above from exiting I-66.
